# Tips to Keep your Pet calm during fireworks

While fireworks are fun for humans, they can be scary and stressful for dogs. In fact, according to the American Kennel Club, more pets run away on the Fourth of July than any other day. Here are some tips to ensure your four-legged family members feel safe and secure this holiday.

1. Keep your dogs inside during fireworks, preferable with human companionship.
2. NEVER bring your dog to a fireworks display.
3. Ensure your pets get plenty of exercise earlier in the day.
4. Provide a safe place for your dog to hide (if he needs to), like a crate or a under a blanket.
5. Keep the windows and curtains closed.
6. Leave something fun for your dog to do while you are out watching the fireworks. A frozen Kong filled with his favorite treats or peanut butter is always a good option.
7. Play music or have the TV turned on to help drown out the sounds of the fireworks.
8. A Thundershirt can also do wonders to help calm anxious dogs.

## Restaurant Spotlight

### Baked from the Heart

Fresh baked cookies...the words elicit an overwhelming sense of joy and comfort. That's the feeling you have when you enter Swirl Bakery and see all of the delightful desserts straight from the oven.

Since opening in 2007, Swirl has been bringing made-from-scratch meals and pastries to the Flower Mound area. Owners Melissa and Chris Norwood bake and cook everything on-site. "We have a passion for trying new recipes and making good food," says Melissa Norwood.

Offering breakfast, lunch and baked goods, the menu provides a variety of food to satisfy any craving. Traditional dishes are their specialty. Big, fluffy omelets are served with brunch potatoes, fruit and a mini-scone. The Eggs Benedict is delicately set atop a fresh-baked popover. In addition to quiches, salads and sandwiches, the lunch menu highlights four different kinds of chicken salad. The Original Chicken Salad is heavenly and features pimento and celery. If you want a twist on the traditional recipe, go with the Honey Cranberry Chicken Salad.

Dessert is a must at Swirl. The pastries will make your mouth water. Fresh cookies, cupcakes and bars fill the dessert case. The Chocolate Cream Pie is smooth and rich. Cake lovers can get their fix with options like Red Velvet, Fresh Strawberry, Carrot and Italian Crème. With so many varieties of cake, it's hard to choose just one. Luckily, Swirl also offers catering service.

And it's not just the food that makes you feel at home. The cozy atmosphere invites you to relax as you enjoy your meal with a glass of tropical iced tea. A gallery wall features local artists' works. In fact, Swirl is very active in supporting the community, giving back to LISD schools and area organizations. Norwood says, "We live, worship, work and play in the community."

"Our restaurant is inspired by celebrations on a daily basis, whether it be helping someone welcome a baby by catering a baby shower, decorating a birthday cake for a beloved family member or treating a good friend to lunch," says Norwood.

## Book Readers Supper Club

*The Nazi Officer's Wife*, by Edith Hahn Beer, is the July selection for the Highland Shores Book Readers' Supper Club. This memoir tells Beer's story of survival during the Holocaust due to her wits, sense of self-preservation, the kindnesses and sacrifices of others as well as pure luck. On the brink of a promising future as a lawyer in Vienna, she is denied her degree because she is Jewish and sent to a plantation in Germany. Eventually escaping underground, she meets and marries a Nazi party member. The archives of Beer's life during the Holocaust are housed at the Holocaust Museum in Washington, D.C.

Please join us on **Thursday, July 6th at 6 p.m.** for a lively discussion and dinner, with participants contributing to the main course. For more information, contact Diane Brown at 972-317-0801 or [dbrown3801@verizon.net](mailto:dbrown3801@verizon.net).
