Highland Shores Hurricanes 2018

Online Registration Opens March 1!

The Highland Shores Hurricanes is a summer recreational swim team that introduces kids to the joys of competitive swim. We are a Swim North Texas league (visit www.swimnt.com), focusing on improving swimming skills, building endurance and, most of all, having fun! It is open to Highland Village residents at least 5-years-old by June 11, 2018. All swimmers must be able to swim the length of the pool unassisted. Afternoon swim practice begins mid-May at Pool 2. Our team will compete against four other Swim North Texas teams with meets on Mondays beginning June 11th through July 2nd. Divisionals and All-Stars will follow for those who qualify. The cost for this six-week program is \$150 per swimmer (a \$20 sibling discount applies) and includes swim practice, swim meets, end-of-year party, Divisionals/All-Stars fees, team t-shirt and medal/pin. Join us for our Open House in April (check the team calendar on our website for the date) at the Community Center to meet our coaches, ask questions and sign up for volunteer positions. Keeping your Pet Snug in a Storm

Intense flashes of light. Loud crashes of thunder. Severe weather can be scary for people, but it's especially frightening for your pets. Here are some tips for keeping your four-legged family members snug in a storm.

- 1. Provide a safe space.** Find a quiet spot in your home and keep a fluffy blanket there for your pet to snuggle.
- 2. Make sure he has lots of toys.** Give your furry friend toys and games to keep him distracted.
- 3. Don't excessively coddle your pet.** The over-attention can increase anxiety, so act like nothing is wrong.
- 4. Drown out the noise.** Play music or turn the TV on to help distract from the booming thunderclaps.
- 5. Positive reinforcement.** Be sure to reward your pet with a treat when he does calm down.
- 6. Consider a ThunderShirt.** The snug-fitting shirt is especially designed to calm anxious pets.
- 7. See a vet.** If your furry family member has extreme reactions to storms, he may need medication.

Not Your Ordinary Gardening Tips

Lifestyle

Spring is the time of year for growing flowers, vegetables and herbs. Whether you have a green thumb or are just starting out, these tips will help you grow the garden of your dreams.

1. Write the names of plants on flat stones to create natural garden markers.

2. Fill the bottom of pots with foam peanuts to make them lighter and improve drainage.

3. Grind eggshells into a powder then sprinkle on your plants for a calcium boost.

4. Use plastic forks to keep pets and other animals from destroying your garden.

5. Put diapers in the bottom of your potted pots to help retain moisture.

6. Sprinkle a few tablespoons of Epsom salt onto your plants once a month to maintain a healthy garden.

7. Use leftover vegetable cooking water to fertilize plants.

8. Start your seedlings in a citrus peel to nourish the plants and encourage growth.

9. Grow vegetables in a location that gets at least eight hours of direct sunlight a day.

10. Line flower pots with coffee filters to keep the soil from falling out.

11. Ensure all in-ground plants receive one to two inches of water per week.

12. Pinch the tips of your herbs to encourage new leaf growth.

Restaurant Spotlight

The Flour Shop
6100 Long Prairie Rd., Suite 200
Flower Mound
Bakery
Price Range: \$2 - \$25

There is nothing more heavenly than the smell of fresh baked treats...well except, maybe, eating them. And the best place to do that is the Flour Shop.

The award-winning boutique bakery opened in 2011. Originally located in the Shops at Highland Village, the bakery recently moved across 407 to the Highlands of Flower Mound Shopping Center. The owner, Dallas-native Cara Vasquez, has been baking since she was a child. Her passion for baked goods is evident in every delicious item on the menu.

From breakfast goodies to custom desserts, the Flour Shop has anything and everything to satisfy your sweet tooth. Start your day with a mouth-watering cinnamon roll or muffin bursting with flavor. They also feature fresh-baked breads like Zucchini Spice, Cranberry Orange and Banana Walnut.

With dozens of cupcake flavors, there is sure to be one to tickle your tastebuds. Try favorites like Cookies and Cream, Coconut Dream or S'Mores. The Crème Brûlée Cupcake flawlessly combines the elegant dessert with a moist cake. The cookie selections are equally as abundant. They can be frosted or custom-decorated to match any occasion.

Signature cakes like German Chocolate, Carrot Cake, Italian Cream and Red Velvet will have you wanting more than just one slice. They are as beautiful as they are delicious. The Flour Shop also specializes in custom orders. They artfully create gorgeous cakes with any design. The custom cakes are sure to be the highlight of any birthday party, wedding or other event.

If you're looking for something a little smaller, try a cakeball. The Red Velvet is rich and delicious. You can never go wrong with traditional flavors like Chocolate, Vanilla or Birthday Cake. The delightful designs make them almost too beautiful to eat...almost. Additional dessert options like tiramisu, eclairs, cheesecakes, pies and French macarons mean there is always something new to try.

With large open seating and bright décor, the atmosphere at the Flour Shop resembles the food...fun and simple. The staff is always friendly and helpful. They greet every customer with a smile and make you feel right at home.

It's clear everything is baked from the heart and it emanates throughout the entire bakery, from the staff to the desserts. For a special occasion or just to satisfy a craving, the Flour Shop is the sweetest spot in North Texas.

Neil White's memoir, *In the Sanctuary of Outcasts*, tells the story of his one-year incarceration in a federal prison for bank fraud. The facility was technically a federal medical center, which housed not only medical inmates, but also low-level offenders, such as White. It was the last institution in the U.S. to do so. White introduces the reader to memorable people, such as Ella, who had a significant impact on his life while incarcerated. Through his interactions with the other inmates, White gained perspective on his own life in a way that he never would have thought possible before he entered the institution.

Killers of the Flower Moon

David Grann
Non-Fiction

In *Killers of the Flower Moon*, David Grann revisits a shocking series of crimes in which dozens of people were murdered in cold blood. A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history. In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. After oil was discovered beneath their land, they rode in chauffeured automobiles, built mansions and sent their children to study in Europe. Then, the Osage began to be murdered, one by one. As the death toll climbed to more than 24, the FBI took up the case. It was one of the organization's first major homicide investigations. Based on years of research and startling new evidence, the book is a masterpiece of narrative non-fiction, as each step in the investigation reveals a series of sinister secrets and reversals.
