## January Fun Facts

"For last year's words belong to last year's language.  
And next year's words await another voice." - T.S. Eliot

- The original Roman calendar only had 10 months. January and February were not included, but added later.
- On average, January is the coldest month of the year in the Northern Hemisphere.
- January in the Northern Hemisphere is the seasonal equivalent to July in the Southern Hemisphere and vice versa.
- In leap years (such as 2020), January begins on the same day as April and July.

Happy New Year!

Thank you so much for a wonderful 2019!  
We wish you all the best in the New Year!

**Our office will be closed January 1 for New Year's Day. We will reopen January 2.**

# Highland Shores Women's Tennis League

Community

**Highland Shores Women's League hosted their Fall Luncheon in November. Sandi Quinlan won the award for most games won. Our women's league formally plays in the fall and in the spring for 10 weeks, ending in a luncheon and a winner. The league continues to play informally every Tuesday on a drop-in basis. This is fun, social play - a great way to meet your neighbors and make friends.**

**Anyone interested can contact Bev Cox at 214-354-3901 for information.

## BOOK CLUB

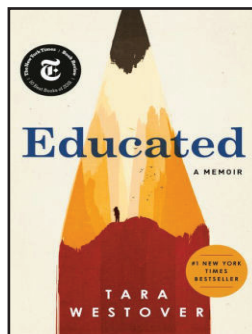

We meet the first Monday of every month at the Community Center. No meeting in January.

*Educated: A Memoir*  
Tara Westover  
Non-Fiction/Bio

An unforgettable memoir about a young girl who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University

Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home.

Please join us **Monday, February 3 at 7:00 PM**. For more information, contact Lynda DuMont at [lyndad@tx.rr.com](mailto:lyndad@tx.rr.com). New members welcome!

## Book Readers Supper Club

*Where'd You Go, Bernadette?*, a novel by Maria Semple, is the January selection for the Highland Shores Readers' Supper Club. As the book's title implies, Bernadette Fox disappears. While the narrator is her 15-year-old daughter, Bee, much of the story is told through Bernadette's letters and emails.

Bernadette is a brilliant architect married to an equally brilliant Microsoft engineer, Elgie Branch. However, Bernadette's life seems to be in shambles, where she feuds with other mothers at the private school Bee attends, seems unable to fix the dilapidated house in which they live, and hates Seattle where they reside, yet manages to secure the love of her only child. A trip to Antarctica proves to be the key to helping Bernadette put her life back together.

Please join us **Thursday, January 2 at 6:00 PM** for a lively discussion and dinner, with participants contributing to the main course. For more information, contact Diane Brown at 972-317-0801 or [dbrown3801@verizon.net](mailto:dbrown3801@verizon.net).
