February Fun Facts

- Leap days are needed to keep our calendar in alignment with the Earth's revolutions around the Sun. Without an extra day on February 29 nearly every four years, we would lose almost six hours every year. After 100 years, our calendar would be off by approximately 24 days.
- The twin cities of Anthony, Texas, and Anthony, New Mexico, are the self-proclaimed Leap Year Capital of the World. They hold a four-day leap year festival each leap year that includes a huge birthday party for all leap year babies.
- The odds of being born on February 29 is 1 in 1,461. People born on this day are often called "leaplings" or "leapers."

Happy
 Valentine's Day!

Haunted Trail Community Impact

Community

On October 26, 2019, Highland Shores held its 12th annual Not-So-Spooky Trail & Maze and Haunted Trail events benefiting Children's Advocacy Center for Denton County. We raised \$4,200 for this organization whose mission is to empower child abuse victims, their families, and the community through education, healing, and justice.

A special thank you goes to our community partners, staff, volunteers, and event attendees who made this record-setting impact all possible!

Pictured are Abby Grimes (Lifestyle Director – Highland Shores), Carolina Barrera (Donor Relations – CACDC), and Samuel Jack (Creative Director – Haunted Trail).

THE HIGHLAND SHORES

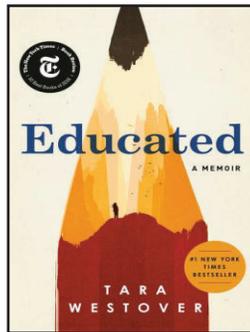

BOOK CLUB

We meet the first Monday of every month at the Community Center.

Educated: A Memoir
Tara Westover
Non-Fiction/Bio

An unforgettable memoir about a young girl who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University

Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home.

Book Readers Supper Club

The Miraculous Journey of Edward Tulane, an award-winning young adult novel by Kate DiCamillo, is the February selection for the Highland Shores Readers' Supper Club. Edward Tulane is a pampered and elegant china rabbit who has everything – a lovely home, an extensive wardrobe, but most of all a little girl, named Abilene, who loves him beyond measure. Yet, he doesn't appreciate or value that love.

Soon he embarks upon a series of adventures, not of his own choosing after an unfortunate incident that separates him from Abilene. He is passed among a variety of characters and situations that make him reexamine the life that he once took for granted and realize that love is something to be valued and cherished.

Please join us on **Thursday, February 6 at 6:00 PM** for a lively discussion and dinner, with participants contributing to the main course. For more information, contact Diane Brown at 972-317-0801 or dbrown3801@verizon.net.
