**Enforcement Policy**

---

**NOW THEREFORE, IT IS RESOLVED** that the following rules, regulations, and procedures are hereby established for the enforcement of violations of the Governing Documents and for the elimination of such violations found to exist in, on or about the Property (hereinafter referred to as the "*Enforcement Policy*").

3. **Hearing Before the Covenants Committee.** The Covenants Committee shall hold a hearing as set forth in the Invitation and in accordance with the Covenants Committee Bylaws. The Covenants Committee is authorized to hold a Hearing, and render a decision, regardless of whether the Owner chooses to attend the Hearing.

(a) The Covenants Committee is governed by the Bylaws of the Covenants Committee for the Highland Shores Owners Association, Inc, recorded in Volume 4505, Page 0955 of the Official Public Records of Denton County, Texas, as amended (collectively, the "*CC Bylaws*"). In the event of a conflict between the Enforcement Policy and the CC Bylaws, the terms and conditions of the Enforcement Policy shall govern and Control.

- Following the Hearing, if the Covenants Committee determines there is a Violation and the Violation is continuing, the Association shall send to the Owner the Notice of Violation as provided in 2(c) above; and
- Notice that the Owner has the right to make a written request for a hearing on or before the thirtieth (30th) day after the date of the Notice of Violation. The hearing if one is requested in a timely manner, will be held before the Board.

4. **Right to a Hearing Before the Board.** If the Association receives a written request for a hearing on or before the thirtieth (30th) day after the date of the Notice of Violation, the Board shall hold a hearing not later than the thirtieth (30th) day after the date the Association received the written request for a hearing. The Association shall notify the Owner of the date, time, and place of the hearing not later than the tenth (10th) day before the date of the hearing. The Board or the Owner may request a postponement and, if requested, a postponement shall be granted for a period of not more than ten (10) days. Additional postponements may only be granted by agreement of the parties. The Owner's presence is not required to hold a hearing under this paragraph. If the Board intends to produce any documents, photographs, videos, and communications during the hearing, and does not send an Evidence Packet to the Owner in a timely manner, the Owner is entitled to an automatic 15-day postponement of the hearing. At the commencement of the hearing, a member of the Board or the Association's designated representative shall present the Association's case against the Owner. Following the presentation by the Board, the Owner or the Owner's designated representative is entitled to present the

Owner's information and issues relevant to the appeal or dispute. The Owner or the Board may make an audio recording of the hearing. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed by the Board. The Board shall notify the Owner in writing of its action within ten (10) days after the hearing. The Board may, but shall not be obligated to, suspend any proposed sanction if the Violation is cured within the ten (10) day period. Such suspension shall not constitute a waiver of the right to sanction future Violations of the same or other provisions and rules by any Owner.

Prior to the hearing, proof of proper notice of the hearing shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by an Officer, Director or agent who delivered such notice. The notice requirement shall be satisfied if the Owner appears at the meeting. The minutes of the meeting shall contain a statement of the results of the hearing and the sanction, if any, imposed.

5. **Corrective Action (Self-Help)**. Notwithstanding any other provisions contained herein to the contrary, if allowed by the Declaration, the Association may undertake to cause the Violation to be corrected, removed or otherwise abated if the Board, in its reasonable judgment, determines the Violation may be readily corrected, removed or abated without undue expense and without breach of the peace. Where the Board decides to initiate any such action, the following will apply:

- a. The Board must give the Owner ten (10) days' prior written notice of undertaking of the action.
- b. Costs incurred in correcting or eliminating the Violation will be assessed to the Owner's account.
- c. The Association and its agents and contractors will not be liable to the Owner or any third party for trespass or any damages or costs alleged to arise by virtue of action taken under this Enforcement Policy and/or the Governing Documents.

6. **Referral to Legal Counsel**. Where a Violation is determined to exist by the Board pursuant to any of the provisions of this Enforcement Policy and where the Board deems it to be in the best interests of the Association, the Board may, at any time and without prior notice to the Owner under the Enforcement Policy, refer the Violation to legal counsel for purposes of seeking to correct or otherwise abate the Violation, including an action for injunctive relief and/or civil damages against the Owner, or any other legal or equitable remedy that may be available to the Association.

**7. Notices.**

a. Any notice required by this Enforcement Policy to be given, sent, delivered, or received in writing will be deemed to have been given, sent, delivered, or received, as the case may be, upon the earlier to occur of the following:

- (i) When the notice is delivered by electronic mail, the notice is deemed delivered and received when the sender "sends" the electronic mail and receives a confirmation or report acknowledging the time and date it was delivered. It is an Owner's duty and responsibility to keep an updated electronic mail address registered with the Association.
- (ii) When the notice is placed into the care and custody of the United States Postal Service, the notice is deemed delivered and received as of the third day after the notice is deposited into a receptacle of the United States Postal Service with postage prepaid and addressed to the most recent address of the recipient according to the records of the Association. Any Notice of Violation or Notice of Corrective Action shall be sent certified mail, return receipt requested, and First-Class U.S. Mail.

b. Where the Residential Unit is occupied by a tenant or where the interests of an Owner have been handled by a representative or agent of such Owner, any notice or communication from the Association or Management pursuant to this Enforcement Policy will be deemed full and effective for all purposes if given to the Owner at the address on record with the Association. The Association may, as a courtesy, also provide notice to the tenant.

**8. Cure of Violation During Enforcement.** An Owner may correct or eliminate a Violation at any time during the pendency of any procedure prescribed by this Enforcement Policy. Upon verification by the Association that the Violation has been corrected or eliminated, and any fines imposed by the Board has been paid, the Violation will be deemed to no longer exist, and the Notice of Violation shall be voided except as hereinafter provided. The Owner will remain liable for all fines levied under this Enforcement Policy, which fines, if not paid upon written demand thereof by the Association, will be referred to the Association's legal counsel for collection. The Board, however, in its sole and absolute discretion, reserves the right to suspend or waive some or all of the fines imposed. The suspension or waiver of fines shall not constitute a waiver of the right to sanction Violations of the same or other provisions and rules by any person.

**9. Repeated Violation of the Same Provision of the Governing Documents.** Whenever an Owner, who has previously cured or eliminated a Violation after receipt of an Courtesy Notice, commits a separate Violation of a similar provision of the Governing Documents within six (6) months from the date of the Notice of Violation, the Association shall reinstate the Violation, including the fines previously imposed related to such Violation that were waived by the Board, and pursue the procedures set forth herein as if the Violation had never been cured or eliminated. For purposes of illustration only, in the event the Owner cured the Violation after

**Enforcement Policy**

---

having received an Initial/Courtesy Notice, the second Violation of the same provision shall prompt the Association to send a Notice of Violation. Similarly, in the event the Owner cured the Violation after having received a Notice of Violation, the second Violation shall prompt the Association to send a Notice of Fine as provided hereunder. In the event an Owner cured the Violation after having received a Notice of Fine, the second Violation shall prompt the Association to commence the levying of violation fines without further notice to the Owner. In the event of a repeated Violation, the Board shall be authorized to double the fine amount.

**10. Payment of Violation Fines.** Payment of the violation fine amount does not imply or constitute a waiver of enforcement or the granting of a variance for the Violation. All Violations must be corrected and brought into compliance with the Governing Documents. If there is a subsequent Violation of a similar restriction, the fine amount will be imposed pursuant to the Fine Structure provision. The Owner shall be responsible for any fines and enforcement costs assessed on the Property. If applicable, it is the Owner's responsibility to pursue reimbursement of the fines from the tenant(s).

**11. Authority of Management To Act.** The Board hereby authorizes and empowers Management to do all such things and perform all such acts as are necessary to implement and effectuate the purposes of the Enforcement Policy and compliance with Texas Property Code Section 209.0051(h), including the levying of violation fines, without further action by the Board.

**12. Binding Effect.** The terms and conditions of this Enforcement Policy, as may be amended from time to time by the Board, shall bind all Owners including their heirs, successors, transferees or assigns, and all Residential Units as defined in the Declaration, and the Properties shall hereafter be held, occupied, transferred, and conveyed subject to the terms and conditions of this Enforcement Policy, as amended by the Board.

This Enforcement Policy is hereby adopted by the Board and, except as provided above for the CC Bylaws, replaces and supersedes, in all respects, all prior policies and resolutions with respect to the enforcement of Violations by the Association, and shall remain in force and effect until revoked, modified, or amended by the Board.

**13. Definitions.** The definitions contained in the Association's Governing Documents are hereby incorporated herein by reference.

IN WITNESS WHEREOF, the Board has caused this Enforcement Policy to be executed by its duly authorized representative as of December 20, 2023.
