# March Madness

## DID YOU KNOW?

- You have a 1 in 9.2 QUINTILLION chance of predicting the correct winners of every game. You have a better chance of winning the lottery, being struck by lightning twice or becoming president.
- Fans wagered more than \$2 billion on March Madness brackets in 2016.
- Vasectomy appointments surge by more than 50% during the first week of March, as men schedule their appointments so they can recover while watching the games.
- Preoccupied workers cost employers \$4 billion due to lost productivity.
- Commentator Brent Musburger coined the term "March Madness" during his tournament coverage in 1982.
- The UCLA Bruins have won the most championships, with 11 wins. The Kentucky Wildcats are second, with eight.
- Notre Dame shooting guard Austin Carr holds the record for most points scored by a player in a single game, with 61 points against Ohio in 1970.

### Here are some tips to help you in your quest to predict the perfect bracket.

- 1. Stick with the top seeds. Since 1979, there have been only three years when a number one failed to make the Final Four.**
- 2. Give proven coaches the benefit of the doubt. They can make all the difference.**
- 3. Lean on star players. Put faith into them leading their teams to victory.**
- 4. Consider weaker teams' scoring success in their out of conference games to determine how well they will do against stronger teams.**
- 5. Pencil in a few upsets. Most upsets are by the 10, 11 or 12 seeds.**
- 6. Every winner in the past 14 years has been ranked within the top 8 seeds.**
- 7. Go with your gut!**

## Pet cleaning Tricks that will change Your Life

Fur on your pants, a yellow stain on the rug. All pet owners know that as much as you love your furry friends, they can make a mess of your home. Here are some tricks to clean smarter, not harder.

- If your pet gets sick on the carpet, let it dry then vacuum. Vomit comes up easier once it has dried.
- To clean urine from the floor, pour 3% hydrogen peroxide on the stain and cover with a towel. Then, hold a hot steam iron on it for 20 seconds. The stain will be transferred to the towel.
- Spray a static removal product over your carpet and furniture to keep pet hair from sticking.
- To remove pet hair from your car upholstery, wipe it with a slightly damp rubber glove.
- Wash clothes or linens with 1/4 cup apple cider vinegar, along with your regular detergent, to remove pet accident odor.
- To keep cats from tracking litter throughout your house, put a cat mat in front of the litter box.

Winter is over and that means it's time to start your spring cleaning routine. Here are some tips to get your home into tip-top shape.

### Carpet

Clear out furniture and shampoo. High traffic areas may need an extra scrub.

### Wood Floors

Wet-clean once every two months and spot-clean as needed. Be sure to use furniture protectors to avoid scratches.

### Windows

Focus on the outside, where the most dirt builds up. For best results, choose an overcast day so the sun doesn't leave streaks.

### Mattress

Use the vacuum's crevice tool to clean the surface and sides, then spot-clean stains with an upholstery cleaner.

### Upholstery

Take cushions outside and gently beat them to remove dirt and dust.

### Ceiling Fans

Remove dust and dirt with a cloth then use the vacuum's soft nozzle attachment to finish.

### Cabinets

Use a cabinet cream to cut through dirt and leave the wood moisturized.

### Refrigerator

Pull out all shelving and wash with warm, soapy water. Then, wipe down remaining surfaces with a sponge before putting shelves back into place.

### Tiles

Mix 1/2 cup baking soda into 2 gallons of water, then apply the liquid with a sponge mop. Use this same mixture to clean the grout.

### Walls

Spot clean with a cloth and water. If heavy stains, dip the rag into water mixed with a little dish-washing liquid.

### Closet

Get rid of unused clothing and accessories, then organize by color. If you haven't worn it in the last 12 months, donate it.

## Out & About

Grab your green because St. Patrick's Day is upon us. But how did this Irish holiday come to be? Here are the origins of some of the Paddy Day traditions.

- Who was St. Patrick?

Well, he was NOT actually Irish. Patrick was born in Britain in 400 A.D. He was taken to Ireland as a slave at age 16. After 17 years, he escaped and returned home. He traveled back to Ireland as a missionary years later.

- Famous Green River

Two Chicago families started this tradition more than 50 years ago. They use 40 pounds of dye, which keeps the river green for about five hours.

- Parades

St. Patrick's Day began as a religious holiday in Ireland, but became a celebratory affair after Irish Americans held large banquets to mark the event. The first St. Patrick's Day parade was held in New York City in 1762.

- Shamrocks

Legend has it that St. Patrick used the three-leaved shamrock to explain the Holy Trinity. Christians wore shamrocks on their coats as a symbol of pride and ended the day by putting it in their glass of whiskey.

- Leprechauns

First mentioned in Irish folklore in the 8th century, leprechaun comes from the word luchorpan, which means "little body." Leprechauns were cranky souls known for their trickery.

### Now you're ready to celebrate! Check out these St. Patrick's Day festivities across the metroplex.

The Highland Shores Hurricanes is a summer recreational swim team that introduces kids to the joys of competitive swim. It is open to Highland Village residents at least 5 years old by June 5, 2017. All swimmers must be able to swim the length of the pool unassisted. Afternoon swim practice begins mid-May at pool 2. The cost for this six-week program is \$150 per swimmer (a \$20 sibling discount applies) and includes swim practice, swim meets, end of year party, divisionals/all-stars fees, team t-shirt and medal.

## BOOK CLUB

*We meet the first Monday of every month at the Community Center*

**March 6, 2017**

*The Handmaid's Tale*  
Margaret Atwood

A gripping vision of our society radically overturned by a theocratic revolution, Margaret Atwood's *The Handmaid's Tale* has become one of the most powerful and most widely read novels of our time.

Offred is a handmaid in the Republic of Gilead, serving in the household of the enigmatic Commander and his bitter wife. She may go out once a day to markets whose signs are now pictures because women are not allowed to read. She must pray that the Commander makes her pregnant, for in a time of declining birthrates her value lies in her fertility, and failure means exile to the dangerously polluted Colonies. *The Handmaid's Tale* has endured, not only as a literary landmark, but as a warning of a possible future that is still chillingly relevant.

## Book Readers Supper Club

Colson Whitehead's New York Times best-selling novel, *The Underground Railroad*, is March's selection for the Highland Shores Book Readers' Supper Club. The novel follows Cora, a young woman born on the Randall plantation in Georgia, whose mother, Mabel, escapes when Cora is a child. Along with Caesar, a recent addition to the plantation from Virginia, Cora sets off upon a journey to freedom with the help of anti-slavery activists who run an actual railroad underneath the land and offer shelter and assistance. Only some luck and Cora's indomitable spirit can lead her to true freedom.

Please join us on **Thursday, March 2nd at 6 p.m.** for a lively discussion and dinner, with participants contributing to the main course. For more information, contact Diane Brown at 972-317-0801 or [dbrown3801@verizon.net](mailto:dbrown3801@verizon.net).
