October Fun Facts

- **The birthstone for October is the Opal and the flower is the Calendula.**
- **October comes from the Latin word octo, meaning eight, because it was the eighth month of the Roman calendar.**
- **Those born at the beginning of October are Libra and those born after October 23 are Scorpio. Libra are known for being loyal, fair and romantic, while Scorpio are known for being fierce, strong-willed and mysterious.**
- **October is Adopt-A-Shelter Dog Month, National Dessert Month and Breast Cancer Awareness Month.**
- **Germany's Oktoberfest began in the early 1800's on the wedding day of King Ludwig I. The annual festival begins at the end of September and lasts for nearly three weeks.**

Halloween is a fun holiday for both kids and adults...but that isn't always the case for your pets. Here are some tips to treat your furry family members to a trick-free Howl-o-ween.

1. Ensure your pet's ID tag and microchip information is updated and accurate.
2. Always keep all candy away from your pet. Chocolate is toxic to dogs.
3. Make sure your furry friend's costume isn't too tight and allows for lots of movement.
4. Lit candles and jack-o-lanterns should never be left on the floor.
5. Be sure your spooky decorations are out of reach for little paws and teeth.
6. Keep your pet in a separate room during trick-or-treating hours.

Book Readers Supper Club

The 19th Wife, by David Ebershoff, is the October selection for the Highland Shores Readers' Supper Club. This historical novel tells a dual story from different eras involving two 19th wives, neither of whom turns out to be the actual 19th wife of her respective polygamist husband. The title of the book is similar to that of the memoir by Ann Eliza Young, multiple wife of Mormon leader Brigham Young. She wrote about her experience growing up in the Mormon faith, being expelled from the church then embarking on a crusade condemning the institution of polygamy. The modern day 19th wife's story is really that of her son, Jordan Scott, a young man banished from the fundamentalist Mormon sect as a young teen. Jordan's mother is accused of murdering his father, so he seeks to uncover the truth. Along the way, Jordan must confront people and places that he thought he had left behind long ago.

Please join us on **Thursday, October 4th at 6:00 p.m.** for a lively discussion and dinner, with participants contributing to the main course. For more information, contact Diane Brown at 972-317-0801 or dbrown3801@verizon.net.

Imagine Me Gone

Adam Haslett

Fiction

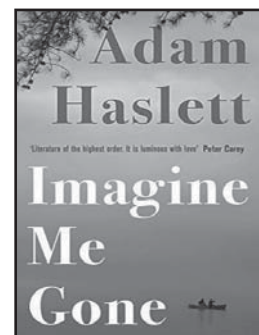

From a Pulitzer Prize finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most?

When Margaret's fiancé is hospitalized for depression in 1960s London, she faces a choice to carry on with their plans or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith.

At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, Michael's younger siblings struggle to care for his increasingly troubled and precarious existence.

Told in alternating points of view by all five members of the family, this searing, gut-wrenching and yet frequently hilarious novel brings alive the love of a mother for her children, the devotion siblings feel toward one another and the legacy of a father's pain in the life of a family.
