Sponsorship and Partner

Opportunities

2023 January - December

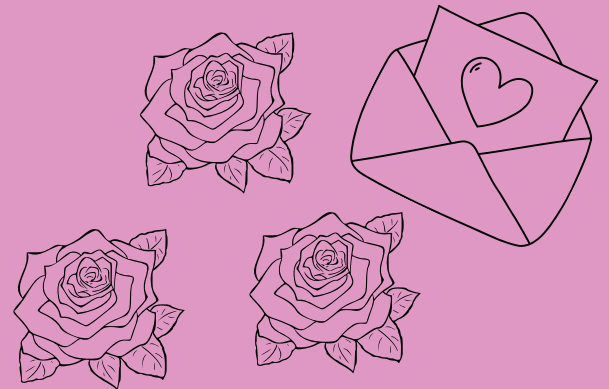

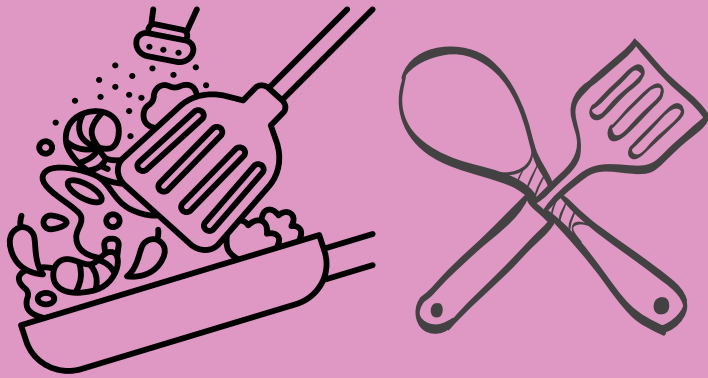

Highland Shores is proudly managed by CCMC. We take pride in hosting fun and engaging events for the residents in this community while creating a long lasting relationships. The goal is to make each event better than the one prior.! One way we do this is through partnering with businesses like yours through community events and activities. Highland Shores has approximately 1,800 homes. Our amenities include 3 pools, 6 tennis courts, a community center and 2 kid parks.

We host at least one event a month. Sponsors are advertised through a variety of outlets including flyers, banners, social media, community news, and more! We look forward to a successful partnership with you for many years to come.

There are many ways you can get involved, from monetary endorsements to product or service donations, or anything else you can think of! If you are a non – profit, ask us how we can partner with you to support your cause at our next event.

Below are events we have for 2023. Once you have looked at them there is a paper you will fill out with which event you would like to sponsor. If you have any questions please email Sdurham@ccmcnet.com or call (214) 406-6031.
